Sunday Game, While Hardly Up to the Quality of Those Earlier in Week, Is Better Than Saturday's Poor Exhibition; Umpire's Decisions Are Central Feature; McCloskey and Brashear Chased From Grounds.

of 7 to 4, the Mackmen grabbed the scries from the Old Puebloz, four games to two. The visitors took the Saturday fixtrue, 11 to 5, in a mixture of farce and baseball. After the anappy games the early part of the week, the two closing context of the scries were rather disappointing. The Saturday game was a very poor exhibition of baseball but the Sunday game, while hardly up to the quality of the Tuesday, Wednesday and Thursday games, was a yast improvement over the Saturday matinee.

On Saturday if fell to the lot of mannager John J. There were two fielding features to the Sunday game that are worthy of special mention. Johnny Pendleton made a great running pickup of Stadelli's fast grounder in the third inning and caught the visitors' leadoff man by a pretty throw to first. In the fifth, flauer bit what looked like a mafe Texas leaguer back of second, but Yelts showed a burst of speed and got the bail on a dead run just above his shoestrings.

In his best form and was more fiberal than usual with the passes. He had occasion to pull limself out of some tight boles and the visitors and the spirest-top had allowed only four hits for the runks. Red Fulwider worked for the visitors and leagues the home team four run. "Red" then hit his stride and allowed only four hits for the game. EVER hear of an umpire who wouldn't ask for a manager's suspension after the manager had struck the indicator man? Well, umpire Held of the Coast league is such a man. He came to blows with manager McCredie of the Portland club the other day and after the game he stated that he would not ask for McCredie's suspension, as "we both lost our tempers and I guess I hit him first."

DON'T forget that the ball team goes on the road again next week, so be on hand to see them take the measure of Herb Hester's warriors this week.

RAY COLLINS is not pitching nearly as good ball this year as last and this falling away from his old form is attributed to the fact that he is unable to use the emery SOME one stole Sammy Beer's pitcher's glove fryom the club-house of the ball team last week. It is thought that some boy purloined it and Sammy is particularly anxious to get it back. He believes the loss of his glove cost him his luck, for Sammy is one of the real superstitious ball players. It is hoped that the person taking the glove will show himself to be a real baseball fan by returning it immediately. If it is sent back to the ball park any afternoon, no questions will be

TUCSON baseball amateurs are going to try the stunt of playing games in the evenings, starting at 6 oclock. If the move proves a success, some of the league games during the week may be started at 6 oclock. The idea might be tried in El Paso. There should be enough daylight to finish the games, but the year, some hustling. but the players would have to do

THE Mackmen now have a nice lead in the Rio Grande pennant race, but there's no knowing how long we'll hold it. The teams are all well matched and the winners of the flag will have to hustle all the way. The Phoenicians will be here all this week and a little bit of encouragement by way of a good attendance at the games will do a lot for the
